Scottish Terrier Club of Michigan

President's Message

Dear Members and Lovers of Scottish Terriers,

It's finally getting warm with spring and very soon summer. The club had its Annual meeting and Awards Dinner. It was great seeing everyone. We had a wonderful time together. Denise is selling tickets for The Scottish Terrier Club of Michigan fundraiser. It's a beautiful Scottie Nativity set. Information can be found in the newsletter and on our website.

Please check out The Scottish Terrier Club of Michigan website sponsorship page. Sponsors will be listed until the end of the year and also appear in our catalog for our independent Specialty. We need sponsors in order to stay independent. The Scottish Terrier Club of Michigan is one of the few regional specialties that is still independent, which means we have a show for only Scottish Terriers. It also gives us more time to hang around together and look at all the wonderful dogs.

This year we are doing a bladder cancer screening (see website or newsletter). You must sign up, in advance, since there are only 15 spots available. We would like to that the Scottish Terrier Club of American for funding the screening as part of the Health Trust Fund.

This year we want to showcase our boys (stud dogs) at the "Stud Dog Strut,". Bring out your boys, even if they are in a shaved coat. The "Stud Dog Strut" will be held during the break between Sweeps and Regular classes. The boys will take a go around the ring and if anyone is looking for a STUD, you can visit with the breeder.

Puppies: I know one of our members Matt Fox has puppies, if anyone is looking.

Thank you

Regina

"Bladder cancer (TCC) in our Scotties is a serious health problem. We need to beat this devastating disease to the punch and detect it as early as we possibly can. Don't wait until your scottie is straining to urinate, passing bloody urine, and acting uncomfortable. By then, it may be too late to do much good at all."
